

Legal Notice – All Documents

While Air Carrier Compliance Group, Inc. has sought to exercise due care in ensuring the accuracy of the material contained in the ACCG web site, and all documents, the material is made available on the understanding that the purchaser/owner/operator is responsible for the content. Additional information about these products is contained in the current Product Disclosure Statement ('PDS') and the Legal Notice located at www.air-compliance.com.

Before relying on the material in this web site or documents obtained through ACCG, or information contained in it, users should independently verify its accuracy, currency, completeness and relevance for their purposes, and should obtain any proper legal or professional advice.

IMPORTANT: Changes in regulatory guidance (FAR's, FAA advisory, manufacturer manuals, etc...) after a document has been approved by the operator and/or the FAA may impact on the accuracy or currency of the information. Update subscriptions are available and highly recommended as part of your manual system.
